DOOR OF HOPE
AUSTRALIA

DOOR OF HOPE AUSTRALIA (DOHA)

Preserving, Improving, and Sustaining Lives since 1996

DOHA is a non-profit, non-governmental organisation dedicated to alleviating the suffering caused by extreme poverty and war. We believe that every child deserves a future defined by hope rather than hardship.

Note on our Model: While DOHA works through local partners and community leaders rather than providing direct child-facing services, children remain our primary stakeholders and the focus of all our development impact.

VISION:

Children in every nation will have access to education, nutrition, medical care, and protection from war, abuse, and exploitation.

OBJECTIVES:

Partner Locally:

We work with local leaders to empower communities to care for their own children.

Provide Essentials:

We support projects offering education, healthcare, and homes for orphaned or abandoned children.

Respond to Crisis:

We assist communities in rebuilding during natural or man-made disasters.

OUR COMMITMENT TO INTEGRITY:

DOHA is a Member of the **Australian Council for International Development (ACFID)**.

We are committed to aid based on need alone and maintain a clear separation between our development work and any religious activities.

We hold ourselves to the highest standards of transparency and accountability.
